Discipleship is MANDatory. "Go and make disciples," Jesus charged the Church. So, our Master commands it. What's more, your personal growth demands it. And, the vitality of your family and church community stands on it. Sadly, today's church is losing ground as culture's God-less grip tightens. Now is the time to MAN UP to our MANDate. Round up a group of men and together embrace our Lord Jesus' call to discipleship by learning how to (1) *become* a disciple, (2) *be* a disciple in a brotherhood of disciples, and (3) *make* new disciples. The sessions will be biblical, practical, and inspirational for both new and long-time followers of the Savior. Let's leave no man left behind!
