MINISTRIES REPORT

Hot Action Heats Up Cold Winter

Meteorologists say the winter of 2018 is experiencing average temps, but people sure have complained a ton about the cold. But you could never tell from the high energy and powerful ministry at Camp this winter! In fact, the action has been hot, as we've hosted four super fun **youth retreats**, an amazing **Women's Winter Warm Up**, and several **rental groups**. At last count, nearly 600 kids and leaders found their way to the broomball rinks and Hazzard Tubing Hill. And they had a blast! One blessed youth pastor said, "Our kids love this place. And two of them gave their lives to Christ!" 105 were on hand for the women's retreat, which featured world reknown Dead Sea Scrolls scholar, Dr. Michael Wise. The teaching, crafts, fellowship and special meals made for many warm memories. A heat wave is in the forecast for March, with 400+ quilters and scrapbookers registered. Thanks for praying us through winter, as we continue to fight road glaciers and ramp up for the summer registration blizzard!

"Bobber Bill, My daughters and I attended the fall Daddy Daughter weekend. We grabbed a couple of Top Ten Tips cards and they came in handy tonight. Thank you! You are having an impact. Attached is a picture of their signed cards. They are almost 6 & 8 years old." A.S.

New Database Running

Ultra CAMP

After months of data transfers, form building, and software training, Camp has a new comprehensive database. On January 1, the office flipped on the switch for UltraCamp, our new data manager. The move was forced by the shutdown of our previous database company. Thank you for your patience as we complete the process of updating records and communicating new registration protocols.
