

TAKE CAMP HOME

The Summer Camp Experience. Questions and Discussion Topics to help you and your camper talk about their time at summer camp!

1

Ask your child about their time in the cabin. What was their cabin like? How many cabin mates did they have, and what was their counselor like? Ask your child about the things they did with their cabin – did they play any fun games? What did the counselor do for evening devotions?

2

Ask your child about chapel times! What was their favorite camp song? Can they teach you the actions? What do they remember about the Camp speaker? What were some of the main points that the speaker made during the week? Do they remember any stories that the speaker told, or funny things they said?

3

Memorizing scripture is a big part of summer camp! What were the verses that your child learned during their week at Camp? Can they teach you the actions? Pick another verse together and come up with actions to help you memorize it!

4

Free Time & Activities! What did your child do during their Free Time every afternoon? Did they do anything fun with their counselor? What were the big group games? Did they do anything that they had never done before? Ask them about zipline, swimming, fishing, boating, etc. (*For Junior & Senior High: We have Clinics & Seminars during the day, which are opportunities to go to a class or learn a new skill! What did your child choose to attend, and what are some things that they learned?*)

5

Skits! Ask your child to tell you about the skits from the Variety Show – which one was their favorite? Can they re-enact it for you? What about the daily skits with the summer-long characters? What was the story that was being told all week?
