Schedule subject to improvement on short notice.

** **ROOM TOUCH UP DAYS.** On **Tuesday** and **Thursday** mornings following breakfast, Camp housekeepers will "touch up clean" (i.e. bathrooms & sink areas, empty the trash, and vacuum) rooms for guests staying in the Lodge, Chalet, and Scandinavia. Staff will clean but will not move or re-arrange guest belongings, so the more "organized" the room the better the cleaning job can be. Guests who ordered linens and want new towels: **Staff will replace all towels placed in tubs or on the floor in a pile.**
