

Additional Information Sheet

Tell me more about Camp Lebanon:

Camp Lebanon is a year-round Bible Camp, located in central Minnesota on beautiful Cedar Lake. Camp was started in 1947 with a mission to tell kids the Good News of Jesus Christ and that mission remains true today. Camp serves around 12,000 guests year-round and provides programs for youth, families, and adults. For more information, visit www.camplebanon.org!

Can kids earn any rewards for this fundraiser?

Yes! If I raise \$100 or more, I will get a T-Shirt, Giveaway Drawing Entry, and a cool Camp Lebanon sticker! If I raise \$250 or more, I will also have a chance to win a FREE week at Camp! If I raise \$1,000 or more, I could win the right to have one of the Camp pontoons named after me!

Where can I learn more about the new gym project?

Great question! You can see the building design, features, outcomes, and more by going to www.camplebanon.org/gym.

How are you keeping track of your goals?

An adult will be helping me keep track of my goal progress. It's really important that I actually do the activity and send the donations to Camp by Tuesday, September 6th.

What is the Kids Love Camp-A-Thon?

The Kids Love Camp-A-Thon is the name for a youth fundraiser to help build Camp's new gym. Some kids will raise money by giving out of their own savings or by earning money doing chores, setting up a Lemonade Stand, or selling cookies. Others will organize their own fun Thing-A-Thon. The sky is the limit! Together, the cumulative Camp goal is to see if kids can raise \$25,000 for the new gym.

When are donations due and when will the prize drawings be held?

All donations are due at Camp by Tuesday, September 6th. The grand prize and ultimate grand drawings will be made as a part of the Fall Senior Day at Camp on September 13th.

Why ask kids to help build the new Gym?

For one thing, kids love Camp! Involving kids in the gym project will help them grow a healthy sense of ownership in their Camp. What's more, it's also a fun way to teach kids the joy of giving. The Bible teaches that God is a giver and something very special happens when people of any age share in His generosity. Plus, it's also a fun summer project for kids that doesn't involve being on a computer screen.

Are my gifts tax deductible?

As an IRS recognized 501c3 non-profit organization, donations are tax deductible as allowable by law. All donations made online will be receipted via email. Camp will also issue emailed receipts for cash gifts over \$25 if email address information is provided on the Pledge / Donor Form.
