This level is great for first timers and beginners who desire a firmer foundation of quilting tools and techniques. Instructors guide with step-by-step instructions from start to finish.

Level 2 Designed for those who have experience in basic cutting, piecing, and finishing techniques. Classes focus on a specific pattern or technique.

Level 3 Reserved for those who possess a broad grasp of quilting techniques. Accurate sewing is essential. Classes focus on teaching specific pattern and often involve intricate and precise piecing methods. Participants generally work on their own with instructor assistance available.

WEEKEND CLASSES (A, B, C, D, E)

Yellow Brick Road (Level 1)

Yellow Brick Road is perfect for first-time quilters and those desiring a firm foundation in quilting basics. This well-written, easy-to-follow pattern by Atkinson Designs has been one of the best-selling patterns in the world for the last 20+ years! This class will teach the lap size quilt, but the pattern has multiple sizes. **A separate Mini Brick Road table runner pattern is also available.** Instructors will guide step by step with group instruction and personalized assistance to help you create this quilt. Upon completion, you will be well on your way to enjoying other quilt projects! **PATTERN: \$10 Yellow Brick Road** by Atkinson Designs. Please pre-register for this class: pattern will be mailed with confirmation packet.

Diamond Jubilee (Level 2)

With bursting displays of color, this breathtaking quilt pattern is a perfect way to celebrate Camp's 75th "Diamond Jubilee" anniversary! This modern throw-size quilt pattern is made up of two distinct blocks – a scrappy star block and a diamond block – set in an alternate layout. The pattern has easy-to-follow instructions and diagrams and is easy enough for a confident beginner. It's also 2-1/2" precut strip friendly, so choose your favorite roll of fabric, add background yardage, and enjoy the simply stunning results! This pattern can also work with 2-1/2" squares if you love a scrappy quilt.

PATTERN REQUIRED: \$10 – Download the pattern in either as a PDF or digital download from the <http://MondayMorningDesigns.com> Etsy website.

Baby Bella (Level 2 – This class starts Friday @ 9:30 am)

Baby Bella is an adorable variation of a miniature lone star with eight "rays" of diamonds extending from a center star, framed by a sawtooth border and cornerstone stars. Baby Bella was designed by Judy Niemeyer to introduce quilters to paper piecing techniques. Paper piecing is the most accurate way to piece complex patterns. Judy Niemeyer's patterns along with the foundation papers by Quiltworx simply take the guesswork out of the process. All seams are straight without Y-seams or curved seams.

NOTE: Baby Bella is a beginner level paper piecing project; however, class participants should be confident in their basic quilting knowledge and experience.

PATTERN REQUIRED: Call [Pine Needles Quilt Shop](http://PineNeedlesQuiltShop.com) at (507) 226-8480 to purchase the pattern (includes Instructions, yardage information, and foundation papers to make a 36" x 36" quilt. A Quilt Instructor will contact you prior to retreat to assist with preparation and fabric selection.
