"If the Living Word used the Written Word to defeat the enemy of the Word, what should we be using?" Tony Evans

"The B-I-B-L-E! Yes, that's the book for me!" We might recall the tune but we're pretty sure what it stands for. We probably own multiple copies and use an app on our phones. So is this "living and active" sword alive and impacting your life? The world is having a heyday in trying to remove Genesis 1-11 from our Bible and with it the foundations of our faith and culture. Come and take a fresh "Walk Through the Bible." Resuscitate your commitment to live truth in victory.

#### TEACHER: *Jim Hinson*

After 41 years in ministry, Jim "retired" from the pastorate last fall. Thankfully, this practical and passionate "Sermonator" hasn't left the pulpit. While serving churches in Silver Bay and Detroit Lakes, Jim and wife, Pris, raised five children, adopted two more, and now love on 20 grandkids. A forever friend of Camp, Jim is an avid sportsman, expert storyteller, and a veteran "Walk Through the Bible" presenter.
