TUESDAY GUEST ARTISTS

The Preacher's Daughters, Amanda Ellison & Korissa Olson, are an acclaimed vocal duo from Minneapolis called by God to keep the great landmark Hymns of the Faith alive in a fresh and engaging way! Both women grew up as Preacher's Daughters in families that traveled and sang together. Whether big or small, groups love the powerhouse vocals and heartwarming stories intermixed with cello, testimonies of faith, audience participation, and abundant laughs!

WEDNESDAY MATINEE: **TOGO**

A compelling retell of the 1925 serum run to save children dying of diphtheria in Gnome, Alaska, *Togo* features the real heroes of the historic run. You, too, will come to fall in love with this ragged, "too small, too weak" sled dog in this true story of courage, adventure and love between a dog and his master and a man and his wife.
