Performing a variety of sacred and secular music, the Wickmans especially enjoy the easy-listening love songs of yesteryear. Come ready for a sweet "Trip Down Memory Lane" as well as inspiring set of "Songs for the Journey."

WEDNESDAY MATINEE

JESUS REVOLUTION is the story of a young hippie (Pastor Greg Laurie) and his quest for belonging and freedom. His journey, like many others, led not only to peace, love, and rock & roll, but set in motion the counterculture and history-impacting Jesus Movement.
