Pornography and other sexual sin is the invisible ball and chain keeping men, marriages, and even local churches from experiencing the joys of freely walking to and with Jesus. What if this issue were dealt with head-on in God’s grace and Gospel truth? What if each man - young or old, leader or congregant - were given hope about his own struggle? Or insights on how to help an enslaved loved one? Imagine the benefits both for a man’s everyday life and on a church’s fruitfulness! Through prayer and regular, authentic, compassion-filled discussions about porn’s effects and remedies, men can loosen the enemy’s grip on God’s people.

TEACHER: Paul Klassen

As the Executive Director of **Broken Strength Ministries**, Paul helps local churches disciple men, especially in the area of sexual integrity. Paul and wife, Becky, live in Buffalo MN with their two youngest. They also have four adult children (two married) and one grand. A graduate of UNW-SP (1990) and Phoenix Seminary (M.Div. 1997), Paul served as a youth pastor for ten years before moving to Melrose in 2011 to plant Birch Hills Community Church. Relational and gentle-spirited, Paul loves serving in whatever capacity God opens, feeling blessed to do so in the context of his own redemption story. Jesus said, “My grace is sufficient for you, for my power is made perfect through weakness.”
