WEEKEND PROJECTS

CLASS SUPPLY LISTS will be mailed with your confirmation letter.

Surrounded Quilt Class (Beginner)

Sign up with a friend! First-time quilters, and those who want to build confidence, will gain solid quilting skills as each square of fabric is surrounded by its own frame. You'll enjoy seeing blocks grow into a generously sized lap quilt that shows off any style of print from delicate florals to strong geometrics. As you construct this quilt, instructors will help you succeed through group instruction and personalized assistance. **PATTERN: \$10 Please pre-register for this class.** The pattern will be mailed with your confirmation packet.

Belonging Quilt Class (Advanced)

Our Belonging quilt uses strings to create a lattice of color. These traditionally pieced strip sets combine all your scraps into a cohesive design. The strip sets come together quickly. Careful trimming of sashing and triangles makes the corner seams precise. This project is perfect for those small strings and scraps you couldn't bear to discard, and a great chance to trade scraps with friends. A 7 1/2 inch square up ruler will be very helpful. We'll show you how to mark your ruler to achieve matched sashing and corners. We can't wait to see how your scraps will look in this quilt!

PATTERN: \$10 Please pre-register for this class. **The pattern will be mailed with your confirmation packet.**

H2O to GO Bag Class (Early Bird—A, B, C ONLY)

Join our guest instructor Tanya Hoven for a fun and fast project that you can keep for yourself or give as a gift! This FRIDAY only class during sessions A, B, and C will be a fun way to spend your day and make some new friends along the way. Tanya has kits ready for you to purchase online—these kits include everything you need! We can't wait to see which kits you choose and see everyone modeling their water bottle bags around camp! **Class: \$10. Spaces are limited, please pre-register! Kit: \$40 @ LilyLouLou.com. Pattern: \$10 @ <https://lindshandmade.com>. Please Note: The total for this class including kit, pattern, class space, and instruction is \$60. Review the pricing above for details!**
