Applications & StaffPath: F.A.Q.'s

How do I create an account?

Click on the [LINK to the StaffPath Website](#). Under "Log In," click on "Need to Register?" then fill out the prompted information. You only need to fill in your name, most used email, and date of birth to create an account. It's that simple!

Can I create an account if I'm a minor (under the age of 18)?

Yes! If you are under 18, StaffPath will require a parent/guardian's name and email. Please input your primary guardian's MOST USED email address. Any emails or reminders you get from StaffPath, your parents will also see in their email.

Is StaffPath free?

Yes! There will never be any fees to create an account.

Can I apply for a summer staff/D3 position without creating an account?

No. The only way to access applications for these positions is through StaffPath. There will *never* be any marketing emails from Camp Lebanon through this account. Creating an account also does not obligate you to working at camp or guarantee a position at camp.

Do I need to create a new account every year I apply?

Nope! You get to keep this account for future years.

Can I re-use responses from previous applications?

Yes! StaffPath will archive applications at the end of every summer season. When applications open for the next year, you can copy any responses that have remained the same from year to year- saving you time!

(CAUTION: Carefully review responses from previous years before copy/pasting them to a new year's application. You may not want your 14-year-old application responses to reflect your character and experiences when you apply as an adult.)

Will my personal information (address, contact info, education/employment history, etc) also be saved?

Yes! You can access your employment, education, and volunteer history by clicking on your profile image in the top right corner of your home page. Then, on the left bar, select "More." Anything you update in this tab will be automatically added to any applications you fill out. AND anything you input in your applications will also be automatically updated to your account.

What is the "Documents" tab for?

This is for applicants who have been hired. If invited to the team, this tab is where you will be able to upload your staff agreement/contract, forms, and more.
