MONDAY MOVIE MATINEE

The 2018 biblical drama *Paul, Apostle of Christ* follows the Apostle Paul. As Paul awaits execution, Luke risks his life to visit him, offering encouragement and recording his story, while fellow believers Priscilla and Aquila wrestle with how to remain faithful in the face of suffering. Through Paul's journey from persecutor to apostle, the film powerfully explores faith, redemption, forgiveness, and the call to reflect the love of Christ even in the darkest circumstances.
